A close community

The individual support of your teachers

There are small groups for each A Level subject and extra help is always available if you need it. At the beginning of the Sixth Form an Induction Day is held to help you prepare for the challenge of the Sixth Form and A Level study. You will have a personal work tutor who will see you regularly to support and guide you through your time in the Sixth Form. Your work tutor and the Head of Careers will help you decide on university or colleges choices and discuss your application with you.

Strong, lasting friendships

Students always say they value the friendships made in Queen's Gate: old friendships strengthen; new friendships are formed; newcomers are quickly made welcome and soon feel part of the close-knit, friendly atmosphere. All Sixth Form students share the Sixth Form Centre which has two common rooms, a study area, a kitchen, and even a roof terrace.

Giving you the skills and confidence to achieve your goals

Academic success

We are very proud of the A Level results Queen's Gate girls have achieved which have gained them places at excellent universities and art colleges. There are a wide number of subjects for you to choose from at A Level which will enable you to pursue the courses you excel in and which you enjoy. So many students discover their individual academic strengths once they are able to focus on their chosen subjects and explore them in depth. Our aim is to help you become an independent learner who has the self-confidence and motivation to succeed in whatever path you decide to follow.

Helping you gain the exam results to succeed

Nurturing your talents and initiative

Be a leader

As a Sixth Form student we expect you to contribute to the life of the school in ways which help you to develop leadership and responsibility. You may run a club for younger girls, become a "sister" to a younger form, take on voluntary work in the community, organise charity events or apply to be a Prefect or House Captain. Sixth Form students have started up the "Wear it Pink Fashion Show", Sixth Sense" (our Sixth Form e-mail news sheet), and the Staff/Sixth Form Panto.

Widen your interests

Being so close to theatres, museums, art galleries and London university colleges means you can easily visit plays and exhibitions or attend lectures and debates. In the week after you have taken your AS exams there is a programme of visits and special events which has included trips to Lille, Cambridge colleges, the Houses of Parliament, the Human Genome Project, and the Tate Galleries, a Business and Enterprise Day, and an opportunity to observe trials at the Old Bailey.
