WELCOME FROM THE PRINCIPAL

Welcome to Queen's Gate School, and thank you for taking the time to review our application pack.

Queen's Gate is a happy, bustling GSA school for girls aged 4-18. Located in South Kensington, London, we are ideally placed to take advantage of the many educational opportunities on offer nearby. We are a close-knit community of around 500 pupils, and are proud of our light-hearted atmosphere, where we promote individuality, authenticity and creativity. Our intake is broad, and we pride ourselves on valuing each girl for her own gifts and talents. Our pupils leave us to a range of higher education institutions across the UK and abroad, and the breadth of their chosen degree courses speaks to our success in fostering our pupils' interests across the academic spectrum and beyond.

We encourage all our girls to be bold in their dreams and to seek to exceed their potential. We are firm in our belief that to do so, our girls must feel happy and secure, and so as a School we aim to

provide a warm, supportive environment in which our girls can grow, explore and aspire.

Likewise, we are committed to offering a workplace where our staff can develop their skills and advance in their careers. We have a generous CPD budget, and encourage networking with colleagues at other GSA schools. A number of our staff serve as governors for other schools, which we are also pleased to facilitate.

We hope the information supplied in this pack will leave you keen to come and be part of all that makes us such a special place. We are a school where our hard work is underpinned by good cheer and genuine camaraderie, and we would be delighted to receive your application to join us.

With warmest wishes,

Amy Wallace
Principal

ABOUT US

Queen's Gate is located on Queen's Gate itself, inhabiting five of the iconic Victorian terraces: three are mostly used by the Senior School, while the remaining two are given over to the Junior School; however, there are many shared spaces and a constant flow of pupils and staff between the two buildings. Although we do not have much outside space of our own, we are spoilt by what the local area offers. Girls make regular visits to the nearby museums and Hyde Park, while sport takes place at a range of nearby leisure facilities, including the River Thames for rowing.

We are relatively diverse in the nationalities represented in our pupil and staff body, and are proud of the way this enriches the experience of all those within our community. Our standard entry points are 4+, 7+, 11+ and 16+. We follow a broadly English curriculum, culminating in GCSE and A Level examinations. Our pupils leave us for universities across the UK, including Oxbridge and other Russell Group institutions, as well as looking further afield; we have alumnae studying in Canada and the US, including at a number of Ivy League colleges.

Our intake is relatively broad, and we are exceptionally proud of the results our girls achieve. We have pupils performing at the highest levels in Music, Drama and Sport. Currently, we have girls competing internationally in Fencing, Volleyball and Athletics, another playing in the National Youth Orchestra, and one in the National Youth Theatre. We have an extensive programme of enrichment activities, as well as a plethora of trips to destinations in the UK and abroad.

Queen's Gate's stated aims are to create a secure, happy, yet stimulating environment in which each girl can realise her academic and personal potential.

Our ethos is one of celebrating each girl as an individual, and allowing her to explore her own interests and gifts. We facilitate this through our extensive academic curriculum (we offer 28 subjects at A Level) and a higher-than-normal amount of choice at GCSE. Scholarships are awarded for academic merit but also to those demonstrating exceptional talent in, and dedication to, Sport, Music, Drama and Art. The School is committed to widening access, and offers a number of means-tested bursaries.

We place great emphasis on the importance of pupils' happiness and wellbeing, which we support through outstanding pastoral care, our extensive co-curricular programme and an open determination to inject fun wherever possible.

Our girls have no uniform, and our dress code allows them enormous scope to explore their own sense of style and to come to school feeling comfortable and confident in what they are wearing. Girls have many opportunities to provide feedback or present their own ideas, particularly in terms of charity events, which are a regular feature.

The Senior Management Team from September 2026 will comprise:

- Principal
- Vice Principal
- Bursar
- Joint Directors of Studies
- Director of Pastoral Care
- Director of Sixth Form

The Junior School has an additional leadership team with individuals leading on teaching and learning, pastoral care and co-curricular/operations.

Our Board of Governors maintain regular contact and incorporates professionals from a range of fields. We are also fortunate to benefit from a strong and supportive PTA.

THE ROLE

We wish to appoint from August 2026 (or sooner if possible) an exceptional individual to deliver our admissions programme for all entry points. Queen's Gate prides itself on the warm welcome we offer all our prospective families, providing personable, individualised attention alongside a smooth, professional experience for the young women seeking to join our school.

As a key member of our Operations Staff, the Head of Admissions will report to the Principal, and work closely with the Head of Marketing and Events Assistant. They will be supported by our Communications & Examinations Assistant. A light-hearted, aspirational school, Queen's Gate places great emphasis on our originality and creativity, and our generosity of spirit. It is hoped that the successful candidate will be able to model those qualities and ensure our admissions process reflects our core values.

The Head of Admissions is responsible for all admissions in both the Junior and Senior Schools and reports directly to the Principal. The Head of Admissions may delegate some of these responsibilities to the Junior School Secretary where they pertain to Junior School admissions, but must retain overall responsibility for all such matters. He/she should ensure the Principal is kept regularly updated on pupil numbers and registrations, and advise her of any significant matters.

Admission of suitable pupils is fundamental to the future success of our School and all admission matters must be carried out with the utmost professionalism and efficiency. The Head of Admissions is very often a prospective parent's first point of contact with our School and therefore must ensure that the first impressions reflect the warm, welcoming ethos we enjoy at Queen's Gate.
